Book Chapters

Abstracts

30. Lombardi P, **Ricci M**, Salerno T. One-year clinical outcome after redo-OPCAB through left mini-thoracotomy using the symmetry aortic connector system. Poster Presentation, Congresso Nacional de Cirurgia Cardiaca, Curitiba, Brazil, April 2004

Minimally Invasive Cardiothoracic Surgery (ISMICS) Annual Meeting, New York, NY, June 2005

39. Gaughan, Panos A, Andreopoulos F, Novello C, Rossi M, Salerno TA, Ricci M. Initial experience with the TandemHeart circulatory support system in pediatric patients. Poster presentation, University of Miami Miller School of Medicine, Cardiovascular Institute Workshop, March 2008, Miami, FL.

Invited electronic publications, surgical videos, video-presentation

1. **Ricci M, Salerno TA.** On-Pump or off-pump? Which and when? Available at: http://www.ctsnet.org/fusetalk/messageview.cfm?catid=85&threadid=15000801&forumid=1

2. Lombardi P, **Ricci M,** Moussa F, Salerno TA. Aortic valve replacement in a beating heart. Available at: http://www.ctsnet.org

Invited lectures

1. “New concepts in single ventricle physiology”. University of Miami Miller School of Medicine, DeWitt Daughtry Family Department of Surgery Grand Rounds, April 29, 2004

2. “Surgical management of ventricular septal defects”. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, October 27, 2004

3. “Surgical management of transposition of the great arteries”. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, December 22, 2004

4. “Surgical management of anomalous coronary arteries”. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, March 16, 2005

5. “Surgical management of TAPVC”. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, April 27, 2005

6. Neurologic injury in single ventricle physiology; Part 1. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, September 19, 2005

7. Neurologic injury in single ventricle physiology; Part 2. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, September 23, 2005

8. Artificial valves. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, November 7, 2005

9. Recent advances in single-ventricle physiology. University of Miami Miller School of Medicine, Division of Neonatology lectures. November 17, 2005

10. Arch anomalies. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, March 22, 2006

11. Surgical management of PA/IVS. University of Miami Miller School of Medicine,
12. Cardiopulmonary bypass techniques. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, Aug 8, 2006

13. Myocardial protection. University of Miami Miller School of Medicine, Pediatric Cardiology Lectures, Sep 6, 2006

16. Recent advances in the management of Hypoplastic Left Heart Syndrome (HLHS). Invited Speaker. North Shore Hospital, Miami, FL, March 14, 2008

22. Co-Chair, session on “Aspects of Assessment and Management of Pediatric Cardiovascular Diseases – Morning Session”. Masters of Pediatrics 2009 Conference, Pediatric cardiology Program, Miami Beach, FL January 28-Feb 2, 2009

23. Co-Chair, session on “Aspects of Assessment and Management of Pediatric Cardiovascular Diseases – Afternoon Session”. Masters of Pediatrics 2009 Conference, Pediatric cardiology Program, Miami Beach, FL January 28-Feb 2, 2009
24. Ventricular septal defect: to close or not to close, that is the question. Invited speaker. Masters of Pediatrics 2009 Conference, Pediatric Cardiology Program, Miami Beach, FL January 28-Feb 2, 2009
