**DATE:** February 10, 2015

**PERSONAL:**

1. Name: **Christopher John Salgado, M.D.**
2. E-mail Address: christophersalgado@med.miami.edu
3. Office phone: 305-243-4500
4. *Current Academic Rank:* Professor, Division of Plastic, Reconstructive and Aesthetic Surgery, University of Miami Miller School of Medicine.
5. *Current track of appointment:* Clinical Educator Track
6. *Secondary or Joint Appointments:* None
7. *Citizenship:* U.S.A.

**HIGHER EDUCATION:**

*Institutional:*

- Boston University  
Boston, MA – B.S., Applied Anatomy and Physiology, August 1986 - July 1990
- Georgetown University School of Medicine  
Washington, D.C. – M.D., August 1990 - May 1995

**LICENSE / CERTIFICATIONS**

Florida State Medical License – active

Diplomate, American Board of Plastic Surgery, since September 2001, renewed certification in September, 2011

BLS certified – current, certified 2012

**POST-DOCTORAL TRAINING:**

December, 2007 to March, 2008  
Research Scholar  
Department of Plastic Surgery

E-Da Hospital / I-Shou University  
Kaohsiung County, Taiwan, R.O.C.

February, 2005 to March, 2005  
Fellow in Reconstructive Microsurgery  
Department of Plastic Surgery  
E-Da Hospital / I-Shou University  
Kaohsiung County, Taiwan, R.O.C.

September, 2004 to December, 2004  
Fellow in Reconstructive Microsurgery  
Department of Plastic Surgery  
E-Da Hospital / I-Shou University  
Kaohsiung County, Taiwan, R.O.C.

March, 2002 to April, 2002  
Visiting Fellow, Reconstructive Microsurgery  
Department of Plastic and Reconstructive Surgery  
Chang-Gung Memorial Hospital  
Taipei, Taiwan, R.O.C.

July, 1998 to July, 2000  
Resident, Plastic Surgery  
Strong Memorial Hospital  
University of Rochester  
Rochester, N.Y.

**PROFESSIONAL EXPERIMENTAL/CLINICAL RESEARCH/GRANTS**

April, 2012 to present

**Co-Principle Investigator**

A prospective, randomized controlled pilot study of the MIST Therapy system for the treatment of split thickness skin graft donor sites (IRB number: )

Department of Surgery and Dermatology and Cutaneous Surgery, University of Miami Miller School of Medicine

Miami, Florida

Funded by Celleration, Inc. (\$77,430)

March, 2008 to December, 2010

**Co-Principle Investigator**

Evaluation of the skin elasticity in patients affected by chronic lymphedema

E-Da Hospital / I-Shou University

Kaohsiung County, Taiwan

Funded by I-Shou University grant and institutional fund

February, 2008 to March, 2010

**Co-Principle Investigator**

Pathologic changes of intraoral flap reconstruction skin paddle following recurrent betel nut chewing compared to controls

E-Da Hospital / I-Shou University

Kaohsiung County, Taiwan

Funded by institutional fund

March, 2007 to June 2007

**Co-Principle Investigator** (Protocol #I07-025-2)

Effects of hyperbaric oxygen therapy on the inflammatory response (IL-6) in rats following partial hepatectomy

Education and Research Building

U.M.D.N.J. / Robert Wood Johnson Medical School at Camden, N.J.

Funded by institutional fund and U.S. Air Force / Davis Hyperbaric Labs

February, 2008 to March, 2009

**Co-Principle Investigator** (Protocol #EMRP-097-008)

Histological evaluation of intestinal mucosa of the voice tube after voice reconstruction with ileocolon free flap

E-Da Hospital / I-Shou University

Kaohsiung County, Taiwan

Funded by institutional fund

## **PROFESSIONAL EXPERIMENTAL/CLINICAL RESEARCH/GRANTS**

December, 2006 to November, 2007

**Principle Investigator** (RP#06-175MP)

Comprehensive evaluation of Permacol (porcine dermis) and its use in abdominal wall reconstruction

Cooper University Hospital / Robert Wood Johnson Medical School at Camden

Funded by Tissue Science Laboratories, Inc. (\$42,000)

November, 2005 to November, 2007

**Principle Investigator** (Protocol # I06-018-2)

Investigation of the effects of hyperbaric oxygen on an accelerated rate of mandibular distraction osteogenesis in a healthy rabbit model

Education and Research Building

U.M.D.N.J. / Robert Wood Johnson Medical School at Camden, N.J.

Funded by Osteomed, Davis Hyperbaric Labs, KLS Martin, and institutional fund

July, 2003 to July, 2007

**Principle Investigator** (WBAMC Protocol #03/26A)

Investigation of the effects of hyperbaric oxygen on the survivability of the replanted rat hindlimb subjected to prolonged warm ischemia

Biological Animal Research Laboratory, Department of Clinical Investigations, William Beaumont Army Medical Center, El Paso, TX

Funded by the Department of Clinical Investigations, William Beaumont Army Medical Center (WBAMC), El Paso, TX (\$30,000)

January, 2005 to January, 2009

**Co-Investigator** (P.I.: Amir A. Jamali, M.D.)

Optimization of fresh osteochondral allografts

University of California – Davis Surgical Laboratories

Funded by the Department of Orthopaedics – University of California-Davis, Sacramento, CA

February, 2003 to August, 2004

**Principle Investigator** (WBAMC Protocol #03/14A)

Investigation of muscle vs. non-muscle flaps in the reconstruction of tibial osteomyelitis defects: A controlled goat (*capra hircus*) model

Biological Animal Research Laboratory, Department of Clinical Investigations, William Beaumont Army Medical Center, El Paso, TX

Funded by the Department of Defense, Medical Material and Research Command and Department of Clinical Investigations, WBAMC (\$40,000)

## **EDUCATIONAL GRANTS**

- September 14, 2012  
Grantor: Covidien's Clinical Education Department unrestricted grant  
Purpose: University of Miami Hernia Repair Workshop 2012  
Amount: \$52,000.00
- June, 2011  
Grantor: Covidien's Clinical Education Department unrestricted grant  
Purpose: University of Miami Hernia Repair Workshop 2011  
Amount: \$55,039.99.

## HONORS AND AWARDS

Elected to American Association of Plastic Surgeons, 2011

Education and Research Committee Member, Department of Surgery,  
Cooper University Hospital / University of Medicine and Dentistry New Jersey,  
2006 – 2007

America's Top Plastic Surgeons 2006 and 2007 by Consumers' Research Council  
of America

Cooper Plastic Surgery Teaching Award in Plastic Surgery, 2006-2007

National Defense Service Medal, 2003

ARMY Achievement medal for meritorious achievement as Performance  
Improvement Representative for the Department of Surgery and efforts  
contributed to highly successful Joint Commission Survey, William Beaumont  
Army Hospital, December, 2003

Army Service Ribbon, 2002

ARCOM (ARMY Commendation Medal) for meritorious service while  
serving as Mission Commander on Humanitarian Civic Assistance Mission for  
treatment of cleft lip, palate and burn scar deformities, Gracias, Honduras, 2000

Plastic Surgery Resident Paper Competition Award, Society of Plastic Surgeons of  
Upstate NY, Spring, 2000

"Outstanding Young Men of America", Award of Excellence, 1998

George M. Kober Scholar, 1991-1995

Metropolitan Life Foundation Award for Academic Excellence in Medicine,  
1992-1993

National Medical Fellowship Award, 1991-1993

League of United Latin American Citizens National Scholarship, 1991
